### Mickey Mouse

Mickey Mouse first appeared in the short film Steamboat Willie on November 18, 1928. He was created by Walt Disney and is the official mascot of the Walt Disney Company.

Mickey mouse typically wears red shorts, large yellow shoes, and white gloves. He appears alongside his girlfriend Minnie Mouse, his friends Donald Duck and Goofy, and his pet dog Pluto, among others. Mickey has three fingers and one thumb on each hand.

'Mortimer Mouse' had been Disney's original name for the character before Lillian, his wife, suggested that he be called 'Mickey Mouse' instead. A large part of Mickey's character is his famously shy voice. From his first speaking role in 1929, Mickey was voiced by Walt Disney himself.

**Picnic in the Park** 

Mom and I wanted to go to the park to have a picnic. Mom handed me a picnic basket to fill. I grabbed an apple. We chopped it up. Mom helped me pack more snacks. We packed them in. We filled the basket up quick! Mom and I walked to the park. We spotted Pam and her dog Mack. They trotted over and I hugged Mack. Mack wagged his tail. Then, he jumped up and licked my face! Oh, silly Mack! We all laughed and grinned.
